From the Principal Volunteers

Can I give a big shout out and a sincere thank you to all the volunteers that support the work of staff and students at Gawler Primary School. Last week we celebrated Volunteer Week, giving us the opportunity to publicly thank those that give their time to support the school. Some areas that they support include being active members of our Governing Council, Fundraising, Finance and Grounds Committees. At Gawler Primary School our volunteers enhance what we do and enable us to offer students some of the following – bakery days, sausage sizzles, oversee and care for our school environment and work with staff to make whole school decisions that support all students. THANK YOU VOLUNTEERS!!

We are really keen to enlist the help of more volunteers to listen to students reading, and support in other areas of the school so if you have any time free please make yourself known at the front office.

Pupil Free Day

Please take note that next Friday, 11th of June, is our Pupil Free Day. Our staff will be joining with the staff at Sandy Creek Primary School to continue our learning around Jolly Grammar and Spelling. Staff have also had retraining in Jolly Phonics in two professional learning sessions after school this term. The aim is to have a consistent, whole school approach to our literacy curriculum.

Footy Colours Day

Next Wednesday 9th June is Footy Colours Day. Wear your favourite team colours to school for a gold coin donation. Please see flyer in newsletter.

Special Food Day

There will be a special food day on Tuesday 22nd June - Information will be sent home soon.

Parking and Driving on School Road—Staff Carpark

Reminder—Please do not drive or park on School Road (Staff Carpark), if you are caught by the parking inspector you will be fined \$94.

School Beanies

Reminder we have school beanies available for the cost of \$10 in the front office.

HB04

In Term 1 and 2, HB04 worked through a visual art unit based on Indigenous Australian use of bush medicines. The work that inspired us was based on pieces by Australian artist Gloria Petyarre, an Atnangkere woman. The artworks that we created bring traditional medicine teachings and it's cultural importance to people so that we can be more aware of these cultural practices. Here are some examples of what we did!
