WELCOME BACK TO TERM 2

Welcome back for term 2! I trust that you and your families have had a relaxing and enjoyable holiday. Staff are set for another busy but productive term, including our years 3-5 camp later in the term and NAPLAN for years 3, 5 and 7 students next week.

Welcome to the four families that have joined us at Gawler Primary School either late last term or this term.

Mother's Day

Happy Mother's Day to all our Gawler Primary School mothers and caregivers. Wishing you a very special day on Sunday – I hope your child/ren spoil you, but more importantly thank you for the amazing job you do day in and day out.

Thank you to all the volunteers that supported the organisation of the Mother's Day Stall both last Friday and today.

Welcome to our new ACEO

Palya all you mob!

My name is Kob, and I'm very proud to be Gawler Primary School's new ACEO (Aboriginal Community Engagement Officer).

I'm here to support all the young people at Gawler Primary to get in touch with, explore and experience Indigenous culture, in a respectful and inclusive way, through fun and engaging activities.

I enjoy talking to young people about aspects of traditional living, supporting them to learn collaboratively in the hope of passing on this knowledge to the next generation. I encourage all people to be proud of their culture, their roots.

Feel free to pop in and have a yarn, my door is always open.

About me: I'm a Luritja Arrabana man, my nguntju (mother's) lands are in the north of the state, between Marree and Finke, out in the remote Simpson and Western desert regions.

I live in Adelaide, I am married and have two young boys with special needs.

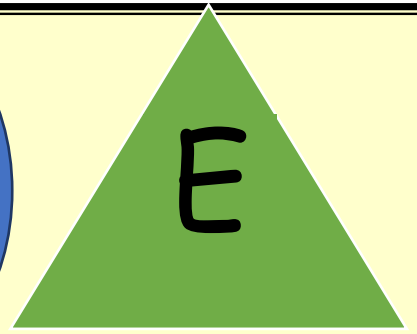

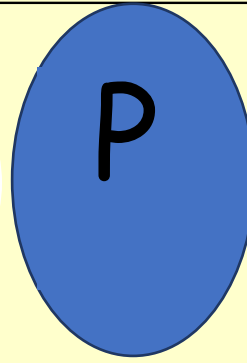

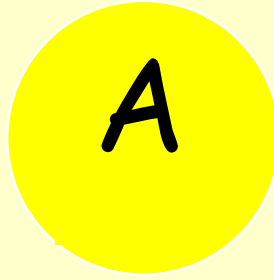

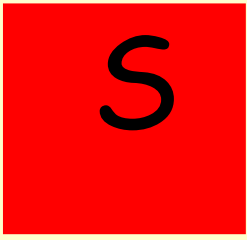

I have also completed my Certificate IV in Educational Support, and am a qualified School Support Officer.

I enjoy teaching culture to my boys, playing guitar, cooking and gardening with my family.

I can't wait to meet you, and if you see me around, come over and say hi. I am here on a Wednesday if you need to touch base with me.

Thanks Kob

I made a cube! - Logan

In HB2 we have been learning all about Shape! In our Maths rotations we have been using Geo Boards, Shape stencils, Tangrams and Polydrons to explore and name a variety of 2-Dimensional and 3-Dimensional shapes. We realised that shapes are all around us. We also went on a shape hunt around our classroom. We even found lots of different shapes inside of our lunchboxes, thanks to the delicious lunches packed by our parents. 😊

GDNA welcomes back NetSetGO in 2021. This year, both Net and Set programs will be coordinated.

Net (5-6 years)...

Net is all about picking up the basic movement skills. Lots of running, catching and fun games.

Set (7-8 years)...

It's a bit more netball-focused. Including practice matches, learning to pivot and working on those lightning passes.

Come and Try Day/Registration Day:

Saturday, 8 May 2021 at 11am
