Welcome

Welcome back and congratulations to all our students, families and staff for successfully navigating a very different start to the school year! We are very fortunate to be in a position where most of our students are back at school and **all** of our staff are also on site. Rest assured if there are any positive cases of COVID with staff or students connected to your child's class we will inform you as soon as possible.

As an Education Department school we have very strict guidelines to follow so please be aware that both staff and students are unable to attend the site if they are unwell. Unfortunately this means that even if your child has a runny nose they are required to stay home until they are well. We understand that this is inconvenient at times but we are simply following the state wide directive which enables us to fulfil our obligation of keeping both staff and students safe.

At this stage we are unable to have our parent/teacher meet and greet which usually occurs in the first couple of weeks. Our staff are more than happy to chat via phone, email or Seesaw if you have issues to discuss so please don't hesitate to contact the school.

New staff

I would like to take this opportunity to warmly welcome a number of new staff who have started at Gawler Primary School this year. It is fabulous to welcome you all and we are looking forward to learning from and with you this year in what promises to be a fantastic 2022.

Karryn Przibilla – Curriculum Coordinator

Stephanie Docherty – Reception teacher (HB 2)

Danielle Harvey – Year 1/2 teacher (HB 5)

Kayla Clausen – Year 3/4 teacher (HB 3)

Tayla Yon – Year 5/6 teacher (HB 7)

New students

We would also like to welcome our new students this year. Our Receptions are managing the routines of school life well as are our new students across years 1 to 6.

School crossing

Thank you to the parent/s that brought the issue of student safety at the school crossing on Nixon Terrace to both our attention and that of the Gawler Council late last year. Unfortunately the council do not deem it a busy enough road to install a different crossing (eg. lights/push button). In an endeavour to keep our students and families safe the school have made a commitment to ensuring the crossing is monitored and have placed a staff member on duty at the crossing both before and after school.

Please also take note that a number of our families were given warnings earlier this week for parking on the verge near the crossing. It is illegal to park there and fines will be issued in the future. Families are encouraged to park in the Rec Centre carpark across the road both before and after school.

Pupil Free Day Term 1

Our term one pupil free day will be on Friday 11th March. OSHC will be open.

Adelaide Cup Public Holiday

Monday 14th March is a public holiday for Adelaide Cup

School Photos 2022 School Photos will be taken on Monday 28th February. Forms will be sent home as soon as we receive them.
